Reaching For The Stars: NASA Science For Girl Scouts

SETI Institute and Co-Is

9/10/19

Space Science Badges were completed by over 68,000 Girl Scouts.

Space Science Badges for Daisy, Brownie and Junior Girl Scouts were released in July 2018. In the first year, over 68,000 badges were completed by Girl Scouts, learning about stars, planets, the moon and sun and STEM careers.
